Subject to completing the steps below and complying with these terms and conditions, U.S. end-user customers who purchase Qualifying M18™ or M12™ Product(s) through an authorized Milwaukee Tool dealer between (the "Promotion Period") February 1, 2018 – April 30, 2018 and submit claims by May 15, 2018 the concluding day of the promotional period are eligible to receive Qualifying Free Goods. Limit five (5) rebates per customer and per mailing address. Exceptions to redemption limit may be approved through local MILWAUKEE® Rep in cooperation with Marketing.

To submit a rebate, visit milwaukee.com/er/pe and select the applicable rebate from the drop down menu. Next, fill in the personal information, distributor information, and attach a copy of the sales invoice.

Only purchases from participating distributors made by U.S. end-user customers with a valid U.S. mailing address are eligible. Milwaukee Tool dealers, distributors and retailers are not eligible. Products that have been returned are not eligible. Once a rebate has been claimed for a product, the product may not be returned.

All rebate claims are subject to Milwaukee Tool's final review and approval. Used, remanufactured and demonstration products are not eligible.

If a rebate submission is incomplete or fails to meet any of the rebate terms and conditions, no rebate will be issued. Unless otherwise expressly stated in writing by Milwaukee Tool, this offer may not be combined with any other rebate, offer or promotion. Void with prohibited or restricted by law.

All rebate submissions must include the following: purchaser name, address, phone number and email address; product serial number; and legible scanned or photographed copy in PDF or JPEG form of eligible product invoice. Invoice must show purchase date within the Promotion Period, indicate product(s) purchased, dealer name and dealer address. Invoice will be used to verify proof of purchase. Invoices that appear to be modified or are illegible or missing any of the required information will not be accepted. Milwaukee Tool reserves the right to verify any and all information on submitted invoices. Milwaukee Tool shall make all determinations regarding validity of invoices and compliance with the terms and conditions of this offer. Allow 6 to 8 weeks for processing of rebates. If terms and conditions are not met, a rebate will not issue. Milwaukee Tool reserves the right to request additional information and documentation to verify rebate claims and purchases.

This offer is governed by the laws of the State of Wisconsin.
